Our own “Yellow” Pages

The Hiss Church Yellow Pages-2012

Have you ever wanted to call a plumber, but didn't know of one? How about a good doctor? Hiss is growing and we've been fortunate to get a lot of new members. Many of them are new to the community. This directory is our chance to support each other or at least find good people. The Hiss Church Yellow Pages is compiled of skilled and professional church members who are able to offer services to those in our church community. It also includes referrals to local businesses which have given good service. This will allow all church members the opportunity to utilize the services of other members of the church and neighbors with whom they are familiar. It is our hope that you will find this listing helpful.

Hiss Church cannot vouch for or guarantee the services advertised in these pages.
